What is REC?

The Electricity Act, 2003, the policies framed under the Act, as also the National Action Plan on Climate Change (NAPCC) provide for a roadmap for increasing the share of renewable in the total generation capacity in the country. However, Renewable Energy (RE) sources are not evenly spread across different parts of the country. [Read More >>](#)

Total Signed Up RE Generators Till Now - 2688

Steps for REC

2 of 4 [◀](#) [||](#) [▶](#)

The basic procedure for registration of the RE generation project shall cover following steps:

STEP 2: An application for availing registration shall be made by the RE Generating Company to the Central Agency, as defined under Clause 2(1) (b) of

the CERC REC Regulations. ...[Read More >>](#)

Declaration

Declaration to be Signed by the M.D./CEO/Authorised Signatory of the Applicant

We certify that all information furnished above is/are true to the best of my/our knowledge and belief.

We shall abide by such terms and conditions that the Central Electricity Regulatory Commission or GUJARAT ELECTRICITY REGULATORY COMMISSION may impose to participate in the Renewable Energy Certificate Mechanism from time to time.

We hereby confirm the following details:

Registered office of Distribution Licensee:
DISCOMNE

We hereby also confirm that:

- I. We have procured renewable energy, in the previous financial year, at a tariff determined under Section 62 or adopted under Section 63 of the Act, in excess of the renewable purchase obligation as may be specified by the Appropriate Commission or in the National Action Plan on Climate Change or in the Tariff Policy, whichever is higher.
- II. The renewable purchase obligation as specified for this financial year, by the Appropriate Commission is not lower than previous financial year.
- III. Any shortfall in procurement against the non-solar or solar power procurement obligation set by the (name of the State) Electricity Regulatory Commission in the previous three years, including the shortfall waived or carried forward by the said Commission, shall be adjusted first and only the remaining additional procurement beyond the threshold renewable purchase obligation specified by the Appropriate Commission or in the National Action Plan on Climate Change or in the Tariff Policy, whichever higher shall be applied for issuance of RECs.

INDEMNIFICATION

The Distribution Licensee shall keep each of the NLDC/SLDC/SA indemnified at all times and shall undertake to indemnify, defend and save the NLDC/SLDC/SA harmless from any and all damages, losses, claims and actions, including those relating to injury to or death of any person or damage to property, demands, suits, recoveries, costs and expenses, court costs, attorney fees, and all other obligations by or to third parties, arising out of or resulting from the Accreditation/Registration/Issuance/Trading under REC mechanism. The Distribution Licensee shall keep NLDC indemnified at all times and shall undertake to indemnify, defend and save the NLDC harmless from any and all damages, losses, claims and actions, arising out of disputes with SAs and SLDC, as well as with Power Exchange(s), inclusive of confidentiality issues.

Declaration

Declaration to be Signed by the M.D./CEO/Authorised Signatory of the Applicant

We certify that all information furnished above is/are true to the best of my/our knowledge and belief.

We shall abide by such terms and conditions that the **Central Electricity Regulatory Commission** or **GUJARAT ELECTRICITY REGULATORY COMMISSION** may impose to participate in the Renewable Energy Certificate Mechanism from time to time.

We hereby confirm the following details:

Registered office of Distribution Licensee:
DISCOMNE

We hereby also confirm that:

- I. We have procured renewable energy, in the previous financial year, at a tariff determined under Section 62 or adopted under Section 63 of the Act, in excess of the renewable purchase obligation as may be specified by the Appropriate Commission or in the National Action Plan on Climate Change or in the Tariff Policy, whichever is higher.
- II. The renewable purchase obligation as specified for this financial year, by the Appropriate Commission is not lower than previous financial year.
- III. Any shortfall in procurement against the non-solar or solar power procurement obligation set by the (name of the State) Electricity Regulatory Commission in the previous three years, including the shortfall waived or carried forward by the said Commission, shall be adjusted first and only the remaining additional procurement beyond the threshold renewable purchase obligation specified by the Appropriate Commission or in the National Action Plan on Climate Change or in the Tariff Policy, whichever higher shall be applied for issuance of RECs.

INDEMNIFICATION

The Distribution Licensee shall keep each of the NLDC/SLDC/SA indemnified at all times and shall undertake to indemnify , defend and save the NLDC/SLDC/SA harmless from any and all damages, losses, claims and actions , including those relating to injury to or death of any person or damage to property , demands, suits, recoveries, costs and expenses, court costs, attorney fees, and all other obligations by or to third parties, arising out of or resulting from the Accreditation/Registration/Issuance/Trading under REC mechanism. The Distribution Licensee shall keep NLDC indemnified at all times and shall undertake to indemnify, defend and save the NLDC harmless from any and all damages, losses, claims and actions, arising out of disputes with SAs and SLDC, as well as with Power Exchange(s) , inclusive of confidentiality issues.

Date : 09-12-2015 Signature of the applicant :
