

Revalidation of RE Projects

***Accreditation
and
Registration***

Revalidation: Accreditation and Registration

- Accreditation and registration are valid till 5 years from date of registration.
- An RE-Generator may apply for revalidation of accreditation before 3 month of expiry of accreditation.
- An RE-Generator may apply for revalidation of accreditation to respective state agency through REC website.

Steps for revalidation are given below:

1. First pay the appropriate revalidation fee for accreditation
2. Apply for revalidation of accreditation through REC website
3. Download the new and old accreditation application form and send it to respective state agency.
4. Subsequent to approval of revalidation of accreditation application by State Agency, RE-Generator can apply for revalidation of registration to central agency after paying revalidation fee for registration
5. RE-Generator may track the application status through web application

Declaration *

Declaration to be Signed by the M.D./CEO/Authorised Signatory of the Applicant

I/We certify that all information furnished above is/are true to the best of my/our knowledge and belief.

I/We shall abide by such terms and conditions that the **Central Electricity Regulatory Commission** or impose to participate in the Renewable Energy Certificate Mechanism from time to time.

I/We hereby confirm the availability/ possession of land as per the details mentioned below,

- (1) Project Site (Physical Address of the Site)
- (2) Location (Town/Suburb)
- (3) Category of Land (Govt Land/Private Land)
- (4) Land Lease (Leased/Owned)

I/We hereby also confirm that:

I. I/We have not any power purchase agreement with the obligated entity, either directly or through traders, for the capacity related to such generation to sell electricity at a tariff determined under section 62 or adopted under section 63 of the Act by the Appropriate Commission, for the purpose of meeting its renewable purchase obligation for **0.5 MW** of the capacity, with installed capacity **0.5 MW**, for which participation in REC scheme is availed.

II. I/ We shall immediately notify the State Agency and Central Agency if any power purchase agreement to the obligated entity, either directly or through traders, for the capacity related to such generation to sell electricity at a tariff determined under section 62 or adopted under section 63 of the Act by the Appropriate Commission, for the purpose of meeting its renewable purchase obligation, executed for the capacity proposed under REC Mechanism.

OR

III. A period of three years / the period up to scheduled date of expiry of power purchase agreement (PPA) (in case of scheduled date of expiry of PPA is earlier than three years, the hard copy of said PPA is also to be submitted to Central Agency), has been elapsed from the date of pre- mature termination of PPA i.e **31-03-2016** due to material breach of terms and condition of said PPA by us.

I/ We have prematurely terminated our PPA with obligated entity with mutual consent/ due to material breach of terms and condition of said PPA by the obligated entity for which necessary documentary evidence are also submitted by us in hard copy to Central Agency.

I/ We have not availed or do not propose to avail any benefit in the form of concessional/promotional transmission or wheeling charges or banking facility benefit or any combination of them.

OR

A period of three years has elapsed from the date of forgoing the benefits of concessional transmission or wheeling charges or banking facility benefit or any combination of them.

OR

The benefits of concessional transmission or wheeling charges or banking facility benefit or any combination of them has been withdrawn by the **State Electricity Regulatory Commission** and/or the **State Government**.
