

Self-Retention of RECs

REC Regulation for Self-Retention of RECs

- An RE Generator permitted to retain the certificates for offsetting its renewable purchase obligation(RPO) as a consumer subject to certification and verification by the concerned State Agency.
- RE generator shall not be permitted to retain the certificates for offsetting RPO of its group companies as a consumer.
- RE generator can retain RECs for its RPO on consumption units located in different States.

Procedure for Self-Retention of RECs

- The Eligible Entity interested in retaining their Renewable Energy Certificates may apply to the host State Agency, where the eligible entity is located.
- The eligible entities may apply online from 1st to 5th of every month and mention the quantity of RECs for which they want to retain and the name of their plant and the State for which the eligible entity wants to retain RECs.
- Subsequently, the eligible entity is required to submit the hard copy of the application signed and stamped to the host State Agency in such a way so that it shall reach the office of state host agency latest by 12th of every month.
- The host State Agency shall check the proposed volume for each eligible entity against the quantity of valid RECs for that entity for both “Solar” and “Non-Solar” Certificates by 18th of the every month.
- The State Agency shall send the final list of certificates to be retained for eligible entities to the Central Agency for extinguishing of the RECs.
- The certificates will be extinguished by the Central Agency in the “First-in-First-out” order by 22nd of the every month.
- The State Agency shall issue the certificate of purchase to the eligible entities.

Steps for Self-Retention of RECs

- RE Generator applies for retention of REC through REC software.
- State Agency verifies the application.
- State Agency approves the application.
- Central Agency redeem the RECs.
- State Agency issue the Certificate of Purchase to RE Generators.

Generate self-retention certificate after redemption of RECs by Central Agency

The screenshot shows the 'Generate Certificate' page on the REC Registry of India website. The page includes a navigation menu with options like 'Home', 'In-Process Accreditations', 'Accredited RE Generators', 'Registered RE Generators', 'Rejected Accreditations', 'Annual Fees', 'Search', 'Reports', 'Revoke', 'Self Retention', 'Profile', and 'System Audit'. The 'Self Retention' menu is open, showing options: 'Pending', 'Approved', 'Rejected', 'Generate Certificate', and 'Self Retention'. A red arrow points to the 'Generate Certificate' option, which has a tooltip that says 'Generate Certificate of Retention'.

Below the navigation menu, there is a table titled 'Generate Certificate Status' with the following data:

Sr. No.	State	Buyer Code	RE Generator Name	Registration No.	Month	Report Date	RECs F	RECs R	Redeem Status	Generate Certificate	Date of redemption of RECs
1	Maharashtra	MH0N SNAVTL001BH0B01	Navalakra Translines	MH0NSNAVTL001R140311	9-2014	02-09-2014	1100		Redeem	View Details	00-00-0000

At the bottom of the page, there is a footer with the text: '© Renewable Energy Certificate [REC] Registry of India 2010. Site Developed by CRISIL Infrastructure Advisory'.
